Compliance Status Definitions

Met Requirements indicates that the LEA documents reviewed were fully in compliance with federal and State requirements.

Met Requirements with Recommendations indicates that the LEA documents reviewed were in compliance with federal and State requirements, but that the LEA may improve the quality of their program implementation and/or documentation by implementing the NYSED-provided recommendations. Recommendations serve as technical assistance and the LEA is not required to take immediate action.

Partially Met Requirements with Required Action indicates that the LEA documents reviewed were substantially in compliance with federal and State requirements, but that the LEA must improve the quality of their program implementation and/or documentation by implementing the NYSED-directed action. The LEA is required to respond to a required action within its Corrective Action Plan.

Finding with Corrective Action indicates that the LEA is not in compliance with federal and State requirements. The LEA must implement the NYSED-directed Corrective Action(s).
