Guidance on Recent Immigration-Related Actions

The New York State Education Department (NYSED) is committed to ensuring that our schools remain safe havens where all students can learn. NYSED, along with the New York State Office of the Attorney General, has put forward the following guidance protecting immigrant students.

How to Use this Guide

The New York State Education Department strongly believes that the education of the child does not happen only in the classroom, but also in their homes and communities. This directory provides a list of community-based organizations in Long Island that offer a variety of services that may be of use to immigrant New Yorkers.
