

Checklist for Eligibility for the Compensatory Safety Net Option

The student is eligible for the compensatory safety net option if they meet ALL of the following requirements.

The student:

- is classified as a student with a disability and has an individualized education program; or was declassified in grade eight or later and the committee on special education recommended that the student continue to be eligible to graduate with a local diploma through the safety net options; or
- has a Section 504 Accommodation Plan and is recommended for the safety net on the Section 504 plan.

The student received a minimum score of 55 on both the English language arts and math Regents examinations that are required for graduation or successfully appealed a score between 52 and 54¹.

The student earned a score of 65 or higher on one or more required Regents examinations² to compensate, on a one-to-one basis, for each required Regents examination in which the student received a score of 45-54

The student earned a passing grade, as determined by the school, in the subject area of the required Regents examinations in which the student received a score of 54.

The student has an attendance rate that was deemed to be satisfactory, based on the district's or school's attendance policy, during the school year in which the student received a score of 45-54 on the required Regents examination.
