GENERAL INFORMATION REGARDING
REGENTS-DESIGNATED PHYSICIAN SHORTAGE AREAS (RPSAs)
IN NEW YORK STATE

Overview

Regents-Designated Physician Shortage Areas (RPSAs) consist of both Health Professional Shortage Areas (HPSAs) as approved by the federal Health Resources and Services Administration (HRSA) and designated health care facilities within New York State. Regents Physician Loan Forgiveness Award Program (Regents Program) placements must be located within these defined areas and/or at these designated health care facilities.

Primary Care, Emergency Medicine, and Mental Health Regents Physician Shortage Areas

For primary care or emergency medicine physicians not practicing at a designated health care facility, proposed practice sites must be in primary care HPSAs. For psychiatrists not practicing at a designated health care facility, proposed practice sites must be in mental health HPSAs. To be eligible for Regents Program placements, HPSAs cannot be listed as withdrawn or proposed for withdrawal.

HPSAs are defined by whole counties, one or more townships within rural areas, or one or more census tracts within urban areas. In order to determine if an address is in a primary care or mental health HPSA, applicants can use the search tool found at: https://data.hrsa.gov/tools/shortage_area/by-address. In order to search a HPSA by County, HPSA name, and/or a HPSA Identification number, applicants can use the search tool found at: https://data.hrsa.gov/tools/shortage_area/hpsa-find. If the

Other types of facilities designated by HRSA are also eligible for Regents Program placements for primary care physicians and psychiatrists. These designated facilities include 3 1 D W L Y H \$ P H U L F D Q 7 U L E D O) D F L O L (W i g i b i l i t y S t e p e n d s W L R Q ' 3 2 on type of designation) D Q G 3 6 W D W H D Q G & R X Q (P s y c h i a t r i s t s W h o) + R V S L W D and can be found at: <https://data.hrsa.gov/tools/shortage-area/hpsa-find>.

Treatment programs funded by the New York State Office of Addiction Services and Supports (OASAS) are also eligible for Regents Program placements and include crisis services, inpatient treatment services, opioid treatment programs, outpatient services, and residential services, when those residential services have treatment components. Applicants can identify OASAS treatment programs for potential placement sites at <https://webapps.oasas.ny.gov/providerDirectory/>.

New York State Operated Facilities Designated as Regents Physician Shortage Areas for Primary Care Physicians and Psychiatrists

This section lists New York State facilities operated by the Office of People with Developmental Disabilities (OPWDD), the Office of Mental Health (OMH), and the Department of Corrections and Community Supervision (DOCCS). These facilities are eligible for Regents Program placements for either primary care physicians or psychiatrists.

Hospitals Designated as Regents Physician Shortage Areas for Primary Care Physicians, Emergency Medicine Physicians, and Psychiatrists by County

This section lists hospitals by county with at least 1,000 annual discharges, of which 25% are from patients who are self-pay, who are Medicaid beneficiaries, or who are supported through the DOCCS that are eligible for Regents Program placements. These hospitals are eligible for primary care, emergency medicine, and psychiatric physician placements.

Critical Access Hospitals Designated as Regents Physician Shortage Areas for Primary Care Physicians, Emergency Medicine Physicians, and Psychiatrists

This section lists critical access hospitals by county that are categorically eligible for 5 H J H Q W V 3 U R J U D P I R U S U L P D U \ F D U H H P H U J H Q F \ P H G L F L Q placements. Applicants can also use the search tool found at: <https://www.flexmonitoring.org/critical-access-hospital-locations-list> to find critical access hospitals by county.
